“ *Bobby was our friend and he will be missed in our lives and in our hearts. He had an infectious smile that made folks gravitate towards him. He always had a pat on the back, a hand shake or a hug for everyone, for the women out there, he kept us light on our feet. Even when his knees were at their worst he's manage to whirl a pretty girl around the dance floor He will be missed by all that loved him. RIP our friend.*
