“ Carolyn I am so saddened by the news...robby had such a kind and gentle spirit. My thoughts and prayers are for your comfort during such a trying time. I would normally be there to express my thoughts to you in person but due to the covid virus I am avoiding all large gatherings. My hope is that you understand and just know I am thinking of you.

“ Roby was so funny when we used to help his mother make her wonderful peanut butter balls. You'd look and he would have a ball about 6 inches and say we were finished. You had to be there to see the humor!! Deidra
