DB

“ I have known Robert Rollins for about 16 years now. Robert would give you the shirt off his back if you needed it. I will always remember him running around in a short sleeve shirt when its was 10 degrees outside. When we were out hunting in the evening and drove by his house after dark, he would always be peeking out of the window and waving as we went back home. Robert would always offer a helping hand. I am very thankful to say I knew Robert.

Ed, Teresa and Debra, God bless you during this trying time. Please let me know if you need anything.
