“ Just learned of Bobbys passing. I always thought thought the world of the whole family. Grew up as neighbors to Ma and Pa Turner and Bobby. He give me the chance to learn what hard work was about starting out young in the hay field. Remember the winter months going to feed the cattle and even in the tobacco field a time or two and plowing a field with a mule. Things that dont happen much anymore. All the memories of days long gone. RIP my friend.
