

## Roger Kincaid

July 27, 1959 - April 4, 2025

It is with profound sadness that we announce the passing of Roger Kincaid, who left us on April 4th at the age of 65. A cherished husband, devoted father, proud Paw Paw, and a friend to all. Roger lived a life full of love, laughter, casting lines, and pickin' some tunes. Roger had a love for the mountains, country music concerts, and taking his dogs on every adventure (Rascal and Rolly). His memory will live on in the hearts of all who had the privilege of knowing him.

Born on July 27th in Pulaski TN, Roger was a man whose life was guided by a deep love for his family, work and his passions. He was a natural outdoorsman, with a love for fishing and hunting that he shared generously with his loved ones. Whether casting a line into a quiet lake from his boat or waiting patiently for a deer to appear on a crisp morning, Roger found peace in nature and enjoyed passing these moments along to his children and grandchildren. Roger took pride in his work as a tool and die leadman for 36 years at T and C stamping. Prior to that Roger worked at Marmomt Gabriel for 11 years.

As a father, Roger was the very definition of dedication and love. He worked tirelessly to provide for his family, and was always present in the lives of his children, and grandchildren whether it was to lend a hand, offer a word of advice, coach a softball team or simply share a laugh. His pride in his family, and friends was evident to all, and he leaves behind a legacy of kindness, wisdom, and unwavering support.

As Paw Paw, he created a world of joy for his grandchildren, filling their lives with laughter, stories, and lessons in life. His warm presence and tough guidance will never be forgotten.

Roger also had a deep appreciation for music. He was never without a guitar at home, strumming chords and singing songs. His music was a gift, and it brought joy to his kids and grandkids. His melodies will forever echo in the hearts of his loved ones.
