“ I have so many wonderful memories of Roger, he first saw me at 7 months old, in a crib in Toledo OH. I often wondered if he took me under his wing as a sister not the cousin I was. He was my protector, defender, big brother, father, mother all the good that comes with being family. As a child, teenager, young adult.... guided me, never judged, always made me special when others did not. He took me to my first theater movie, taught me to drive a straight shift, gave me my first kitten, helped me name my first dog, took me to my first auction and yelled at the thrill of a winning bid. Even distant in miles did not break the bond that we shared.....he will always be my hero. I will miss his presence, he has always been the best in my life. Will/do miss him terribly. RIP

“ It was so nice and such a pleasure to have met Roger. I remember he was always happy to see me when I would come to work. He was a very loving and considerate person, always making sure I felt comfortable and making my job a lot easier. Even though he didn't always feel well, he was always in a good mood and was such a grateful person.

It hurts me a lot that he is no longer among us, even though for me he is just sleeping, resting, he will no longer suffer or be in pain. I am convinced that Jesus Christ will wake him up. He will do it. (John 11:11-44)

“ Roger was a wonderful neighbor, we loved seeing him and his dog out in the neighborhood! He was a unique and interesting man, he was loved by his neighbors and will be deeply missed. The lovely flowers and sentiments the neighbors have left at his home shows the enormous impact he left on his friends and family. RIP Roger

“ I met Roger in 1968 as a student in his class at Hermitage Elementary school. He was a great friend, mentor and teacher. Thanks to him we learned a bunch of show tunes. Four years ago I had heart surgery and he sent me many cards while I was in rehab. I loved him and will miss him dearly. RIP, Sir.

I will miss Roger, as well as Amy. They were two of my favorite cousins. We had lots of good times playing together growing up. And Roger always had such interesting stories to tell about his aunts, his uncle, and their children, his cousins. And Amy was one of the sweetest. They both are dearly missed!
