“ *My thoughts and prayers are with you during this sad time Ms. Betty. I will always remember Roslyn fondly and have wonderful memories of many times spent with you all during the younger years! Roslyn leaves behind a wonderful family and I know you will all be a great source of comfort and support to one another.*

True friends are the ones who never leave your heart, even if they leave your life for a while. Even after years apart, you pick up with them right where you left off, and even if they die they're never dead in your heart. God's blessing on you and the family.
