“ *I grew up with the Parker's. Went to school at Richland and went to church with them. I loved Mrs. Parker. She was one of the sweetest ladies I have known. You never forget good people and those who treated you with kindness. She has forever held a special place in my heart. I am grateful to have known her.*

“ *All of us with Campbellsville United Methodist are suffering a great loss. I have not known a finer person. She loved and cared for and fed us like we were her immediate family. We observed in Marie the most amazing faith and strength when she suffered the loss of her loved ones and when she learned of her on fate. I have said that If Marie had lived during our terrible civil war she would have fed and cared for the young soldiers regardless of their affiliation. We will miss Marie but the many memories of her will help us be stronger and more compassionate. We are all better off by knowing her. Thank you Marie*

“ I am so very sorry for your loss. The best thing I know to say, is God needed an Angel, cause that is what she was. She was one of the nicest people I have ever met. She ALWAYS spoke to me in the lunchline at school, and even years later when she saw me out in public, she would ALWAYS speak, and if we both had time, would stay and chat. Great lady. She will be greatly missed. Ms. Parker, Love ya, and may you rest in peace, in the arms of God. God Bless you all, and may he give you peace. A Friend, Chris
