“ Kyle and I send our sympathy to the family. I always enjoyed being with Sally Will and have fond memories of her and Guy taking and sharing pictures. They were a part of our childhood; remember all the Rook games on Dog Branch. Love, Metta Edmundson Rone

“ Tony, Charlotte and family,
I'm so bad about keeping up with things that I should. I didn't know your mother had died until a few minutes ago. What a wonderful life she had. I can remember your dad and her taking pictures of so many of the wonderful things that came along, my engagement and wedding, Mother and Daddy's 50th Wedding Anniversary and even things I participated in while going to school. I remember her knitting me some house shoes and her wonderful baking skills. My love and prayers are with you all.
