“ *Scouting has never be the same since Sandra retired. All of us that learned from her at the unit level ,taught with her at district level (BLT and WLOE Staff) and no one can forget the Day Camps. To those of us that received the SANDRA CLARK AWARD there was no higher award. Remember “ A hundred years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove, but the world may be different, because I was important in the life of a Boy” “Softly falls the light of day as our camp fire fades away.....” Thank you Sandra Peace Bill Wiseman P107, P710, T187, MT 41*

“ *What lovely tributes to Sandra and I know one y'all probably haven't heard. We were friends at Beech Hill where we graduated together in 1965. I remember when she started dating Bobby and the thing we did although I don't know if girls do it today is swap clothes. We swapped clothes so we would have something different to wear. I still remember she had a madras wrap around skirt that I loved. We enjoyed our friendship and had some good times together.*

“ Sandra was a second mom to me. In many ways we were even closer than I am to my mom.

Thank you for what you taught me, standing by me when I made unpopular decisions in my life and others walked away.

The Day Camps, BLT, WLOE, Jamborees, Pow Wows.

Ripping wood of the side of Bobby's shed at 5AM because we needed barnwood.

Her truck floating in creek when we were flooded out at a campout. After drying distributor cap it started right up. Toyota strong.

Having to open window in hotel in Nashville with snow coming down because we were all giggling at nothing that was funny because Jay Bruce gave us glue to attach patches to plaques and it was very fumey.

So many good times and memories. She'll be missed.

"May the Great Scoutmaster of all Scouts be with us until we meet again."
