I light blue because it symbolizes a river of healing and peace. I pray for peace, strength, and endurance in the days to come. Father God I ask you to wrap your Holy Spirt around the family so they feel your love and peace during this time. For the pain is carnal and difficult but spiritually there is a rejoicement in heaven as she spends a lifetime in your embracing arms!! Halleluiah!! Amen!!

I will not be able to attend because of work but I will definitely be praying for all of you! I'm so sorry about your mom! I sure will miss seeing her on the porch and walking over to chat. She was a wonderful lady! So glad I got the opportunity to meet her and get to know her! 💜
