“ Sandy was such a sweet person and so much fun to work with. I helped train her in pharmacy at Hillside and she was so much fun to be around. A hard worker and a blessing to all she came in contact with. So very sorry for your loss.

“ I worked with Sandy at Walgreens and we grew to become sisters. She loved the Lord and her mission trips, especially South Africa. She was a special soul and to know her was to love her. My heart breaks but I know she is completely healed and can walk again without pain and is with Randy. You will be missed!
