“ *Sarah, or "Nana" always made me feel welcome and loved from the moment I joined the family. She was one of the kindest people I had the pleasure of knowing. Wesley, her great grandson says: "I was always very happy to see her because she was so nice." We will miss her dearly.*

“ Sarah was a loving sister-in-law and will be missed so much. She and my brother were a match made in heaven. Where you would see one, you would see the other. The distance kept us physically apart but we shared moments together by phone. Rose and I loved both very much.
