“ Addie and I worked together at Forrest Park UMC in Panama City, FL for several years until she moved to Pulaski. She taught me everything I needed to know about UMC Church business. I served as Church administrator my last four years at FPUMC. She was always there when I needed her. Sometimes just a phone call away. We tried to stop by for a visit with her annually on our trips to North Dakota where Lori's family resides. I made the mistake of calling her my second Mom one time, She said "Brother maybe, but never your Mom"!!

We miss her friendship and love.
