“ I just found out about our dear friend a couple of days ago, & I feel so down right now.

Shawna would ALWAYS check on me in Kroger, she would give me the 411 on LIFE! She also helped me grieving my oldest sister that I lost last year from cancer & the. Shortly she shared with me what she was battling with. All I can say is thank you for a real True friend to me, showing me when things were on sale in Kroger thank you for allowing your light to shine so brightly in our world. You encouraged me as a wife, friend & mother etc. I gotta find the strength to hold my head up not knowing that God had called you home. You will forever be a rock a soldier & a special person in my life my dear friend.

When you love a person love ❤️ can never die it just lives on through our father who is Omni present.

I wished I knew that you weren't feeling good I would've been right there by my friend side. Until we meet again dear sister my bestie @ Kroger when me & my hubby would come there to shop. You will forever be that TRUE STAR ★ IN MY LIFE!

“ *Shawna, where do I start, my first day at Kroger and here is this spunky witty girl showing me the ropes with her funny personality I knew right away we would be friends. Shawna stood out and loved singing and dancing (even at the customer service desk) where I would later work with her most nights. Gonna miss you so much girlfriend and every time I go into the store it will never be the same without your presence your voice. Love you girl see you again someday, rest easy Shawna*

“ Sending love and prayers to Shawna's family.
I met Shawna when my son, Luke, worked at Kroger.
Every single time I would go in to Kroger she would yell "Hey,
Luke's Mom". She always asked how I was doing and how my son
was doing. She was a big cut up!
She was a very sweet and beautiful lady.
I was blessed to have met and known her.

Rest Easy, Shawna 🕊️
