“ Foster and Candace, I was sorry to hear of Sonya's death. I have the fondest memories of teaching with her and of getting to know you all. Candace, when you were born Meg and I drove to the hospital on a snowy night. We had trouble getting back home and only made it with me driving and Meg hanging her head out the window trying to navigate. Sonya was a wonderful lady and I know she will be forever in loving memories. Take care. Love, Sammie Andrews
