“ Steve was a man like no other. I saw him be a loving husband, father, and friend. Steve had a big heart. Our relationship extending farther than just working together. Steve taught me how to quarter up a deer lol. He was a true friend through and through and will truly miss him. I love you brother! “ Shocked to hear the news. Steve was a coworker, a good family man and companion to Theresa. I hate I was out of town and missed the service. After retiring We kept in touch thru emails and enjoyed many hours of laughter swapping funny stories and jokes. My condolences and prayers go out to Theresa and family for comfort in the days ahead.

“ *I was Steve's neighbor as a kid. He was older than me when we were neighbors but treated me as an equal. He used to come over and play basketball with me "21" and "horse." We later worked on together on neighboring wings at Florida State Prison. What a genuinely great guy.*

My condolences to his family.
