

Stuart Hewitt Gregory

December 27, 1990 - January 1, 2022

Our world is forever changed. We are heartbroken to announce Stuart Gregory of Pulaski, TN, passed away on January 1st, 2022. He was born on Dec 27, 1990 in Dallas Texas and was 31 years old. Stuart graduated from Richland High School — where he was a varsity soccer player and National Honor Society member. Stuart attended North Alabama University and Middle Tennessee State University — a proud Kappa Sigma brother like his grandfather.

Our son Stuart was a loyal friend to all he met. He touched us with his contagious smile, charisma, humor, dedicated love of his family and their four-legged family members, and all-encompassing love for his friends and their children who affectionally called him “Uncle Stu.”

He was excited for 2022 to continue his education at UT Southern in the spring. He will be forever missed by his mother Marybelle Gregory, father Rod Gregory, sister Tegan and his friends who showed up again and again through life and death. Y’all honor him through your life.

Visitation will be held on January 13th at Bennett-May & Pierce Funeral Home from 4:00-7:00pm.

A memorial in his honor will be held at a later date this summer for friends and

family.

In lieu of flowers, please consider donating to the National Alliance on Mental Illness (NAMI) or the Boys & Girls Clubs of South Central Tennessee

“ *My most heartfelt love and condolences go out to the Gregory family. I only knew Stuart when he was young living in Texas with his family. We became friends on Facebook once he was old enough to have Facebook. I have truly enjoyed watching his post and occasionally checking in with him. He always responded, and in fact just responded to me a couple of days before this tragic news. My shock of the news was immediate sadness that his light will not be here for us all to witness, and for his beautiful family that showed him the love that supported him to be the young man that he was. I'm so sad for you Marybelle, DR. Gregory, and Tegan. I'm sure your loss is unbearable and I pray for peace and comfort in your journey of healing. Warmly Teresa Lancaster*
