“ Sue was special to all the NHC family, but was extra special to Chasity and I. She will be remembered for the love of her family, especially her grandson and great grandchildren. Her heart was full of love for not only her family but for the friends she made at NHC. I will miss her with all my heart and soul!

“ Such a precious soul that I loved so dearly. I brought her back a shirt from the mountains that she absolutely loved! When I was working she refused to come out of her room until I saw her outfit and “approved” the pants she was wearing with it. She kept me laughing constantly, never a dull moment :) My prayers are with you all
