“ I remember Beth from our days @ The Webb School during the late '70s. She was a gracious, polite young lady with a charming smile. I regret learning your loss and pray for God to comfort family and friends, who were close to her.

“ My family called her "Beth." I will forever remember her grace and beautiful smile which graced our family gatherings. There were so many peace-filled gatherings down by the lake at "Uncle Gene's Lot." She was there to bask in her family's love and we love her still!

Heartfelt condolences

Dear LeQuire family,

I met Susan Elisabeth in the UTK library in 1996 as a fellow student / guest student from Germany. We both lived on Andy Holt Ave on campus and it was just nice and interesting to know her. She was of natural beauty and of truly exceptional strength of character. I think of Esse and I feel your sadness with you.
