Terry you will never be forgotten. We have so many memories of growing up together. I will never forget calling you on the 8 party line and the thunder pop so loud I dropped the phone, we were about 4 and 6 years old. If you had not made the phone call that cold night in December I might not have ever met Dexter. I love you cuz and I hope to see you again ❤️

“ So very sorry to hear of Terry's passing before the passing of my dad Danny in 1985 Terry was my dads best friend I remember my dad and Terry always being together going to horse sales together you never ever hardly seen them apart they were always together, The last time I seen my dad him and Terry came to my grandparents together on a Friday and they were headed to a house sale. They were both laughing and cutting up lol My Dad and Terry are once again laughing and cutting up together in heaven, my Dad has his best friend with him again. To the family I'm so very sorry my condolences are with each of you during this sad time I pray God will comfort you all and give you peace in your hearts knowing Terry is no longer in any pain he now has a new body walking on the streets of gold, He's with Jesus and his best friend Danny.
