“ When I first walked through your door, you treated me as a daughter. You loved and fussed at me like your own. You’re no longer in pain, and bothered by the troubles of this world. I am grateful that Mita and Cissy shared you with all of their friends. You’ll be missed beyond infinity, but we take comfort in knowing that you’re home with the Master. Take your rest Momma, job well done. Love Shana, Ayden and Ashton.
