“ I am so sorry to hear about Tommy. He and I spent a lot of time together in the late 60's and early 70's when I was the scorekeeper for Giles Co. Little League. I also later in my life became and umpire and a basketball referee and his influence was always remember by me. He was always fair and reasonable, yet firm about his helping of young boys through his involvement in sports. He was a blessing to all those he touched.

Sincerely,
