“ Mike was a true friend to me. When I transfered to Finishing Dept. at PPG Mike was the first person to offer help. A true friend I could trust. Thanks Mike for your friendship.

“ Haven't seen Mike in years but talked via FB a few years ago. So sad to hear of his passing. Figured that we are about 3rd cousins but family for sure. When I looked through the pics of his childhood the memories came flooding back of days spent playing at Cain Cain's house. Regretting I've let so many years pass and not staying in touch. RIP Mike. Much love to his family and friends .
