“ I remember when I was asked to help Timmy move back down to Pulaski. As we were riding in the U-haul, we had a great talk. Come to find out, we had a few things in common. There was also quite a few times that he had made me laugh so hard on the drive to Pulaski, I could barely breathe. I do know that he so loved his niece Kelsey. She was his heart and soul. And he was hers. Til we meet again Timmy.
