“ I remember so well Mrs Joyce working on the bluegrass festival with her husband and many others during my tenure as the retail merchants coordinator. My daughter Mary Hannah was just a young child and they opened their fellowship with the other bluegrassers to us. She was gracious to the visitors to Giles County during the 3 day festival for many years. I enjoyed working with her during festival time. She loved bluegrass music and traveling to other festivals. My memories of her are of a kind and gracious true christian lady. My sincere sympathy to Ernie and the children.
