“ *Bill and I worked together in Boy Scouts. We had a great time in doing boards of review for rank advancement. As Troop committee chairman he was a great asset to me in my duties. I will always have many fond memories of the laughter we shared together. He was always a very kind person anywhere I saw him. I loved his unique smile.*

“ *I remember the hours he spent with Troop 462 working with the Boy Scouts in Pulaski. He sat on boards of review and carried many loads of equipment in their trailer to campsites and help to set things up. He was also an Eagle Scout and encouraged the young men to work hard for that accomplishment. He has been missed and will be remembered.*

“ Bill was a joy to work with. We always enjoyed his visit in TIES that brought a smile and maybe a few tears from us because he would have us laughing so hard. He was always willing to help and did so with patience and kindness. My thoughts and prayers are with the family. He was truly a treasure.

“ *Bill and I came in around the exact same time every day to work. I rode the elevator with him many times. I never knew him extremely well, but he was always incredibly kind. He also picked on me a little and would let me pick on him back. He could take a joke and loved to laugh. I will never forget his kindness and his smile. He touched my life and gave me a great start to many work days. I am so sorry for your loss but so glad that he knew our Lord and savior personally.*
