“ *The name William is associated with many definitions, but strong leadership, a keen sense of responsibility, and an innate charm stand out. However infrequent my interactions with William were, the stories of how the staff at Murci Home loved him abound. I can only imagine his charm shining through his eyes every single day. The other meaning of William, "Resolute Warrior" is also just as fitting, as his charming spirit was housed in an earthly vessel that he battled for far longer than he should have had to. It is with all of our love that we offer our condolences for your family's loss, but we also smile with you in pride and honor of a life, well lived, by a fearless warrior.*

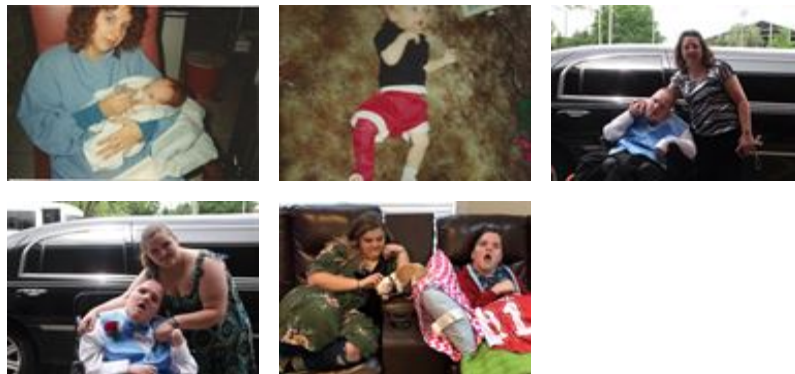

Rest on High, William, your fight is done.

*Love,
Aaron and Christy Dwyer*

“ *One of my most unforgettable moments with William was the night Shawn called very late. Shawn was crying and in the background I could hear William saying MamaMaMama. Love you! Sherry Greene*
