

William Austin Whitley

September 27, 2011 - November 9, 2022

William Austin Whitley passed away on Wednesday, November 9th, 2022 at Vanderbilt Children's Hospital. He was born on September 27th, 2011 in Huntsville, Alabama and was 11 years old.

Austin was an amazing son and brother. His smile and his laugh could go on for miles. Austin loved listening to music and playing outside. I never got to meet him but I've heard Mark and his Granny talk about what a sweetheart he was. This little guy has been on my mind a lot since he passed. He was so young and when I look at his pictures and see that sweet smile it just breaks my heart. I continue to pray for his family because I know personally about the aftermath of losing a child and you never get used to not seeing his smile and hearing his laughter and laughing with him. After talking to Billy and hearing the pain in his voice I know n my heart how hard this has been for him. I love my family so much and it's my prayer that friends and family remembers to keep praying for this precious family as they get through the tough days ahead. I'm sending lots of hugs. I hop you all feel the love!
