“ *Lester was always very kind to me. He worked for my Granddaddy and Uncle and attended my church, St. Andrews when I was growing up. I have many fond memories of him. He always had a joke to tell and made sure I got my tickets to the Shrine Circus every year. He loved a good fish fry. He's home now and I will miss him until I see him again in Heaven one day. Prayers to all of his family. May you feel God's love during this difficult time and be surrounded with precious memories.*
