“ Lewis you will be missed more than words can every explain. You have been like a 2nd father to me my whole life and I was the daughter you never had. I learned so many things from you over the years and we shared allot of good memories together and for that you will always be cherished in my heart. Even though I am sad to see you have left us, I am more at peace knowing your not suffering and enduring anymore pain. I will say your sense of humor and that big beautiful smile of yours will be greatly missed and with that been said that is how I will continue to remember you. Fly high my Willie Love your beloved God-Daughter Jacqueline M. Smith
