“ *Wilma was one of my earth angels that God sent to me as a gift. I am so blessed to have met such a wonderful person that became a very close friend. My heart goes out to Ken, Tiffany, Daniel, and her siblings during this time of loss. Wilma loved her family so much!*

*It is very hard to know I will never hear her voice and laugh or to see the sparkle in her eyes again on this earth. But I have so many comforting and fond memories of her that each time I think of her my day is a little bit better. She was a bright light for me that I know will keep shining!*

*With heartfelt sympathy, Susie*
