I got to meet Rod while I worked as an electrician and got to know him as an individual and a business owner. He joined The Giles County Honor Guard a few years back and was truly a welcomed asset to the Honor Guard's efforts. We both served in Vietnam and Germany (not at the same time) and often we would have long talks about those days. Rod was a gentle man that always looked out to help those that needed a hand up.

March on Rod, God Bless the Family. 🙏

Mr. Wells was a good man of faith and principles. God's worked through him in many ways to bring people to christ. He was a good Sunday school teacher and a good adviser. He has run a good race and finished strong. Cedrick Nkulu.

My goodness!!! What a shock and a HUGE loss to many, many people. I had the wonderful opportunity of meeting Rod through church as we attended the early service together at FUMC Pulaski. Through much coaxing, my husband and I joined the Disciples Sunday School class that Rod was leading at the time. Rod was a humble servant of God that helped me continuously grow in my faith, and my own walk, through constant encouragement and teaching. He knew that I was very new in my journey and not well versed in the Bible. I will forever hold him close to my heart. In addition, he was always the first to greet a new person attending service and welcome them. What a true Christian! Rod, you will be deeply missed. I know Jesus was waiting for you with open arms.

*Sincerely,
Chandra Nelms*
